Prized Companion

Anita Marlowe and Czar walk to their gate in the A Concourse prior to a flight to Phoenix this week.

Anita Marlowe of Chandler, Arizona has a walking celebrity at her fingertips at all times. He's Czar, an award winning AKC Grand Champion Black Russian Terrier who is also her personal service dog. Anita just spent several days in St. Louis at Purina Farms for a dog show. She flew home on September 26 with her 3-year old, 115 lb companion by her side every step of the way. He sits at her feet on the bulkhead aisle of the plane. Czar attracts a lot of looks and lots of fans because of his size (still growing) and his calm, happy nature--perfect for his primary job to serve his master in public.
